

DAVE FERGUSON

THE LEADERS' COACH

Dave Ferguson is an internationally respected executive coach, speaker, and author, in the areas of leadership, sales, and personal development. In his signature direct, yet highly connective style, Dave helps business owners, executives, top management leaders, and political leaders transform how they communicate, connect, and grow in their leadership roles. Prior to launching his coaching and speaking business in 2006, Dave had 21 years of corporate leadership experience. During this time, he engaged his no-nonsense leadership approach to coach, mentor, and develop leaders at all levels. Dave will challenge your team to make intentional choices that leverage their professional development, inspire them to become better leaders, and demonstrate ways they can cultivate and apply their skills. Dave's mission is to equip bosses in becoming leaders, and leaders in creating their legacies. As a speaker, Dave Ferguson will challenge, inspire, and energize your organizational leaders to gain greater influence and lead to higher levels.
